HOW DOES THE BISCUIT MACHINE PRODUCE BISCUITS?

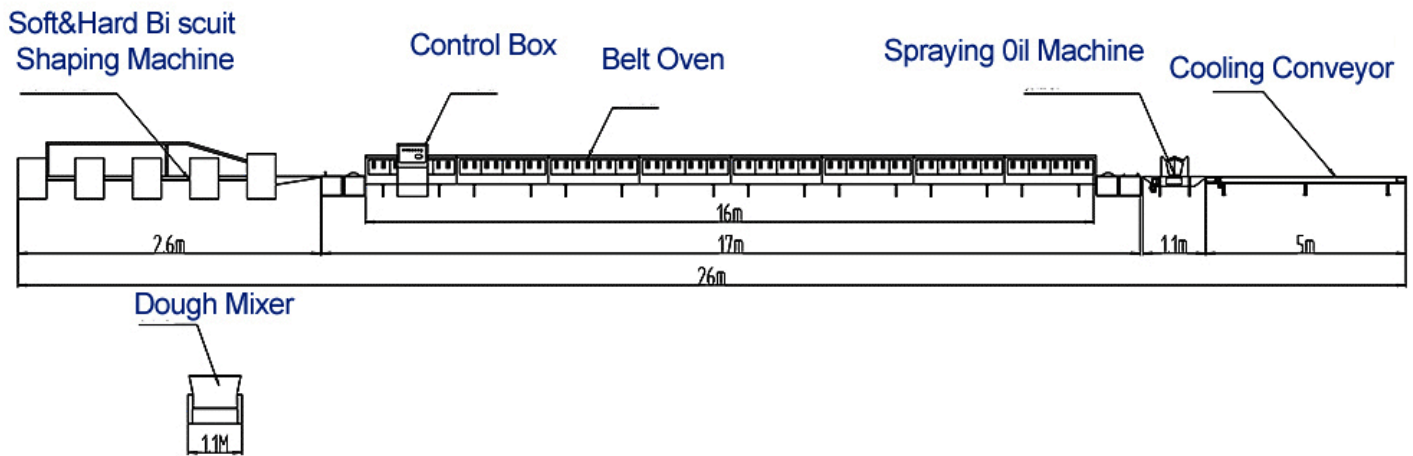

The main raw material of biscuit is wheat flour, in addition to sugar, starch, oil, dairy products, eggs, essence, leavening agent auxiliary materials. The above raw and auxiliary materials are made into dough by the dough mixer, which is rolled into dough sheets by the rolling mill, pressed into cake billet by the molding machine, and finally baked in the oven and cooled into crisp and delicious biscuits.

According to the formulation and production process of different cookies can be divided into two categories, that is, Hard cookies and soft cookies.

180°Swerving Machine	1set
Biscuit Cooling and Conveying Machine	25m
Stacking Machine	1set
Packing Table	8M

Control Cabinet	1 sets
Biscuit Mould	2 sets

LOYAL SERVICE

Service for Pre-sale

Service for Pre-sale
1. Provide technical parameter
2. Factory layout and size suggestion
3. Provide general formulation
4. Custom-Design service
5. Professional Advice about Market, machines, materials, packing
6. Suggesting professional ship agent or helping book ship as customer request.
7. 24 hours online service
Service for Pre-sale
1. Allocation chart as the buyer's request will be supplied.
2. Operation manual will be supplied after shipment.
3. One year warranty, life time maintenance with cost price.
4. Free easy broken spare parts will be sent with container .
5. First installation can be done by engineer.
6. Training workers in customer's factory.

Service for After-sale

Engineers available to service machinery overseas

Service for After-sale
1. Free consultation service before, during, and after sales;
2. Free project planning and design services;
3. Free debugging of equipment until everything is functional;
4. Free management of equipments' long distance shipping;
5. Free training of equipment maintenance and operating personally;
6. Free new production techniques and formulas;
7. Provide 1 year complete warranty and lifetime maintenance service

FAQ

Q: Are you trading company or manufacturer ?

A: We are factory.

Q: How long is your delivery time?

A: Generally it is 5-10 days if the goods are in stock. or it is 20-30 days if the goods are not in stock, it is according to quantity.

Q: Do you provide samples ? is it free or extra ?

A: Yes, we could offer the sample for free charge but do not pay the cost of freight.

Q: What is your terms of payment ?

30% is paid by T/T as the down payment, 70% is paid by T/T or L/C before shipment

Q: Guarantee?

Within 12 months

Q: Contact Information?

Any question please contact us! Welcome to Jinan.

Our Advantages

15 years history on food machinery. 22 experienced engineers is working for us whose job is to research new machines, design for clients, 24 Hours' service and 15 after sales service personnels help our clients to solve all the errors of our machines as soon as possible

Novel design, compact structure, high degree of automation, complete from feeding calendaring, forming, waste recycling, drying, oil injection, cooling, all at once

Provide users with hundreds of molds and dozens of process formulas. If you have any questions, please contact us, we will treat it with integrity. Looking forward to getting in touch with you.

Packing & Shipping -- Biscuit Making Machine

Shipment: Within 25-30 working days from the date of receipt the down payment.

Packing by Good quality material

Shipping by 20ft container or 40ft container

Introduction Of Our Factory -- Biscuit Making Machine

Shandong Loyal Industrial Co., Ltd, which is a professional food machine manufacturer with more than 15 years' experiences.

We located at Jinan, China, --- the beautiful Spring city at north of china.
